### Safety Tips

<b><u>Guests should have the following:</u></b>
Enough fuel
Spare wheel and spanners
The phone number of their destination
Directions
Snacks
Contact details of a relative
Always have all car doors locked
Never pick up strangers or ask them for directions.
<b><u>When Hiking or Mountain biking:</u></b>
Make sure someone knows which route you will be taking and when to expect you back
Do not walk alone.
Take your cell phone with emergency numbers with you
Wear weather appropriate clothing: hat and sunblock in summer ; rain gear & warm clothing in winter
Make sure you have enough water and food with you
Take a map of the area with you
Be aware of your surroundings
If confronted by a criminal, don't resist and hand over your goods

### Ceres Town Map

### ceres pure adventure

#### WELCOME TO CERES

Ceres is really a very special stop-over in South Africa.

Here you get to experience amazing seasons with the most beautiful views. Ceres, although small, has more than enough local and nearby activities for people of all ages. The valley of Ceres, the Koue Bokkeveld and the open plains of the Tangua Karoo were first inhabited by the San and Khoi, thousands of years ago.

The valley produces the finest deciduous fruit in South Africa. Also well-known for its fresh and dried fruit, fruit juices, and natural spring water.

**The Ceres area is all but quiet.  
Here you can be adventurous.  
Be wild! Be daring!**

#### **Scenic Drives and views**

- **Gydo Pass:** On the R303, north of Prince Alfred's Hamlet. Built in 1848 by Andrew Bain, Gydo Pass is one of the most scenic drives in the district and links the Warm Bokkeveld with the Koue Bokkeveld. Marine fossils have been found in the pass.

- **Michell's Pass:** Starts where the R43 and the R48 meet before entering Ceres. Michell's Pass was also built by Bain and opened in 1848. The pass was named after Charles Michell, surveyor-general of the Cape Colony. Until the completion of the railway line to Kimberley in 1885, Michell's Pass was the main route to the Diamond Fields in the north.

- **Katbakkies Pass and Skitterykloof:** These passes gave the farmers from the Koue Bokkeveld access to the Ceres Karoo. The Ceres Karoo was used by farmers as winter grazing for their sheep. The bumpy road and steep gradients gave rise to the names of Katbakkies and Skitterykloof, Skitterykloof a rather vulgar term for expressing a traveller's fear when taking this route. A large part of this route is gravel road.

#### **Day Hikes:**

##### **- Christie Prins Day Hike (12km from Ceres)**

This hiking trail above Prince Alfred's Hamlet was established as an Eco-tourism project by a local school. The route named after a famous conservationist in the area, has 2 circular routes: ±2 hours and ±4 hours. Maps & more information available at the Ceres Tourism office.
